RESPECT TO THE HUMAN

RESPECT TO THE GAME

Is one of those moments when you feel that fair play and generally the camaraderie among athletes applies to maximum extent.

At a local football match on the island Chios, between the Bay and the Tower, was a scene that surely make proud all at the beautiful island of mastic, "the Lady of the Aegean".

Daphne was with 3-0, reached 10 victories in the League and five in the seat, gripping the Intrepid at 35 degrees. But this is of less importance. Disclaimer and. ..

In 33 min and with the score at 1-0, was the phase of the match when the referee mistakenly gave Efstratiou Shootout in favour of Dafni on clean branding of Pantelakis in Milioti.

The Sezenias took over the execution and deliberately sent the ball out, observing Fair Play, since he did not want his team to achieve a goal that is not deserved.

In the replay, the Srantakis made it 2-0 for his team, while 62 ' the Chrysinas, who had just spent like change in the game, made the final 3-0 with kick-off-shoot and tragic mistake of Serafi.

RESPECT TO OTHER TEAMS & PLAYERS
